Good morning,

The DEC has issued a permit for this project on 03/16/2026. As long as the scope of the work has not changed, nor will change, from what was permitted, we have no further comments at this time. The DEC has no objection to The Town of Yorktown Town Board serving as Lead Agency for this project. Please let me know if there are any questions.

Best regards,

Glennys A. Romero Medina
