

DIGITAL PASSES from email

Your Digital ID Card is available!

Yorktown Parks and Recreation is using digital passes with CommunityPass. The ID Card for **Patty** now available as a digital pass.

When you log into your [CommunityPass account](#), you will have access to your digital passes so that they can be scanned directly from your phone. You can also add them to you Apple Wallet or Google Wallet from within CommunityPass.

You can **Add to Apple Wallet** or **Add to Google Wallet** directly from this email by selecting an option below. If you are on a mobile device, the pass will be added to your Wallet after clicking "Add". If you are not on a mobile device but are currently logged into Apple or Google, you can also Add to your wallet from this email.

Your wallet will group all of your CommunityPass ID Cards in one convenient place.
