## 2026 Adopted Budget

For the Year Ending December 31, 2026

Edward Lachterman, Town Supervisor

Susan Siegel, Councilwoman

Gennelle MacNeil, Town Comptroller

The Town of Yorktown is more than a place to live; it is a way of life.

A vital location in the War for Independence; it is a township that took its name from the battle that decisively cemented our dominance over the British troops. Yorktown was first settled in 1683 as part of Van Cortlandt Manor, and was incorporated in 1788 as our nation was forming the principles of democracy we live by today. There is no doubt; each of us is a part of the history and responsible for upholding the legacy. These freedoms shall be preserved and each citizen should experience the treasures of nature, history, individual respect, neighborhood and learning. As resources and energy allow, each of these gifts from the past will be enriched in the present for those yet to come.

We, as a Town in the State of New York, shall do our best to strive for  
Progress with Preservation.

Dear Taxpayer,

I am pleased to share news about the **2026 Adopted Town of Yorktown Budget**. This year's budget reflects the Town Board's ongoing commitment to fiscal responsibility and the delivery of high-quality essential services — all while striving to keep costs as low as possible for our residents.

The 2026 Adopted Budget has been carefully designed to ensure that Yorktown can:

- Meet all contractual obligations
- Comply with unfunded mandates from the State government
- Provide necessary coverage and support for our dedicated employees

The **Town Tax Rate** component of your Property Tax Bill consists of three funds that support the Town's operating budgets: **General, Library, and Highway**.

After careful consideration and numerous planning sessions, the 2026 Adopted Town Tax Rate has been proposed to **remain flat** at the 2025 Town Tax Rate of \$178.14 per \$1,000 of Assessed Value.

With the U.S. Consumer Price Index (CPI) currently at 3% and inflation continuing to impact communities nationwide, we are proud to present the **2026 Adopted Town Tax Rate** with a **0% increase**. We fully recognize the financial pressures faced by our residents and remain dedicated to developing a fiscally responsible plan that maintains the high level of service Yorktown has always provided.

We understand that any increase affects our residents, so it is important to acknowledge the economic pressures outside of Yorktown's direct control that every year must be considered and weighed on how to fund increased costs, with as little impact as possible on the taxpayers. These factors include:

- Rising electricity rates
- Tariffs on essential materials
- Increases in materials and supply costs
- Higher health insurance premium rates

Thank you for your continued trust and support as we work together to ensure Yorktown remains a financially sound and vibrant community.

Sincerely,

A handwritten signature in black ink, appearing to read 'Ed Lachterman', with a large, sweeping flourish above the name.

Ed Lachterman

Yorktown Town Supervisor

# BUDGET PROCEDURE

What is a budget? A budget is an orderly financial plan for the operation of government. The plan sets forth the proposed appropriations necessary to carry out activities for a year and the proposed means of financing. The budget is an estimate of planned expenditures and financing sources.

- The Supervisor of the Town of Yorktown, as Chief Executive and Chief Fiscal Officer, under New York State Town Law section 106, prepares a *Tentative Budget*, under the modified accrual basis, to be submitted to the Town Board and public for its review and comment by October 30 of each fiscal year. In creating the tentative budget, the Supervisor will have requested and received from each department of the Town government estimates of the costs and revenues associated with its operations.
- The Town Board met with various department heads on November 6th & 7th, 2025 to discuss the tentative budget. The Board adopted a Preliminary budget on November 18, 2025 for general public comment in December at a public hearing.
- The Public Hearing on the Preliminary Budget will be held on December 2, 2025.
- Based on public comment, the Town Board will determine what, if any, revisions are appropriate and may vote to adopt the final budget on December 2, 2025 but no later than December 16, 2025.
- The budget must be recorded in the minutes of the Town Board. The budget takes effect on January 1, 2026, and constitutes the annual budget of the Town for the next fiscal year.
- If the Town Board fails to adopt a budget by December 16, 2025, the Preliminary budget adopted by the Town Board on November 18, 2025 would constitute the budget for the ensuing fiscal year.
- The Town Board, during the fiscal year, may, by resolution, make additional appropriations or increase existing appropriations and provide appropriate financing. The Town Board also may, by resolution, authorize the transfer of moneys, contingent appropriations and unexpended balances so long as said transfers are within the same fund.

## TAX RATES AND ASSESSMENT

This section contains information on property tax assessments, tax levies, appropriations and tax rates to allow individual analysis.

It is important to note that the property tax assessments shown on the following pages are the official amounts filed with the New York State Office of Real Property Services on September 15<sup>th</sup> of each year. The taxable assessed value used to calculate the tax rates for Town and Special District Taxes for the forthcoming year may differ from the official amount filed, to reflect changes in taxable assessed values due to court order settlements or small claims assessments review decisions to the assessment roll between the official filing date of September 15<sup>th</sup> and the adoption of the budget for the forthcoming year.

\*According to the Bureau of Labor Statistics, the Consumer Price Index for the Northeast was up 3.3% as of August 2025. The last few years, due to the inflationary increases nationwide the continued impact to the Town's expenditures including health insurance, pensions, personnel costs, general insurance, contracts, equipment and more has significantly out paced the increase in non-property tax revenue. Historically, due to the conservative approach by the Town Board, the Comptrollers Office and the Department heads, budgetary spending brought surplus to the fund balance. However, in this current inflationary economy the sustainability of managing the expenditures in the budget are outside of internal controls. To offset these anticipated costs, the town will manage to reduce the projected increase by finding new revenues, managing non-property tax revenue fees and/or increasing the tax levy to keep the budget balanced and on solid financial footing year over year.

**ASSUMPTIONS:**

- 1 - Assessed Valuation stays constant
- 2 - CPI % stays constant at 3.3% as of Aug 2025
- 3 - Actual Revenues are higher than budget due to one-time revenues. One-time revenues are used for capital investments, not to offset operating expenditures.
- 4 - Expenditures are projected at 3.3% CPI
- 5 - Revenue projected at 1% increase - non-property revenue must be analyzed yearly to account for the cost of inflation
- 6 - Appropriated Fund Balance is projected at historical average budgeted amount

## CAPITAL PLAN

The mission of a capital plan is to maintain and improve a local government's capital assets over time. It is a blueprint that defines major projects that the Town hopes to undertake and complete over the next five years in addition to the purchase of vehicles and equipment that have greater than a five-year life span. The Planning process includes “must do” projects such as road and bridge repairs as well as the “it would be nice to have” projects such as a new park and / or recreational facilities

This process is based on:

Departmental priorities – Department Heads have the greatest familiarity with their particular capital projects and needs. Asset condition data and the subject matter expertise of the department head need to be taken into consideration.

Departments create project lists that reflect the urgency of needs from an operational perspective.

Fiscal Priorities – This focus is on factors such as the impact projects will have on affordability measures, debt service costs, capital reserve funds, cash flow and operating costs once the project is completed. Funding sources need to be verified and the timing of project costs must be examined.

Executive priorities – The Town Board needs to effectively prioritize all projects and purchases over time so that capital costs fit within fiscal and budgetary constraints

The process prioritizes and ranks projects in order of importance so the Town Board can evaluate requests. The nature and importance of individual projects dictate which must be accomplished in year one and which can be deferred to future years. By creating a multiyear plan, future capital needs can be identified and appropriate resources earmarked for use when needed.

The capital program is updated and modified annually and a new budget developed and approved for the upcoming fiscal year. The Town is responsible for maintaining and improving a substantial portion of our public infrastructure. Creating an effective multiyear capital planning process will help meet this significant financial responsibility without overburdening taxpayers or disrupting vital services.

## PARK AND IMPROVEMENT DISTRICTS

The Town of Yorktown operates six park districts and one lake improvement district. These districts were created over the last thirty years at the request of residents in each of the geographical areas to improve the quality of life in their particular neighborhood.

Four of these Park Districts ~ Amazon Park, Mohegan Beach, Mohegan Highlands and Shrub Oak Lake Estates ~ are located and operate summer beaches on Mohegan Lake. Shrub Oak Community Beach Park District is situated in the Shrub Oak Hamlet on a widened and dammed part of the Shrub Oak Brook. It also provides a park facility for district resident use.

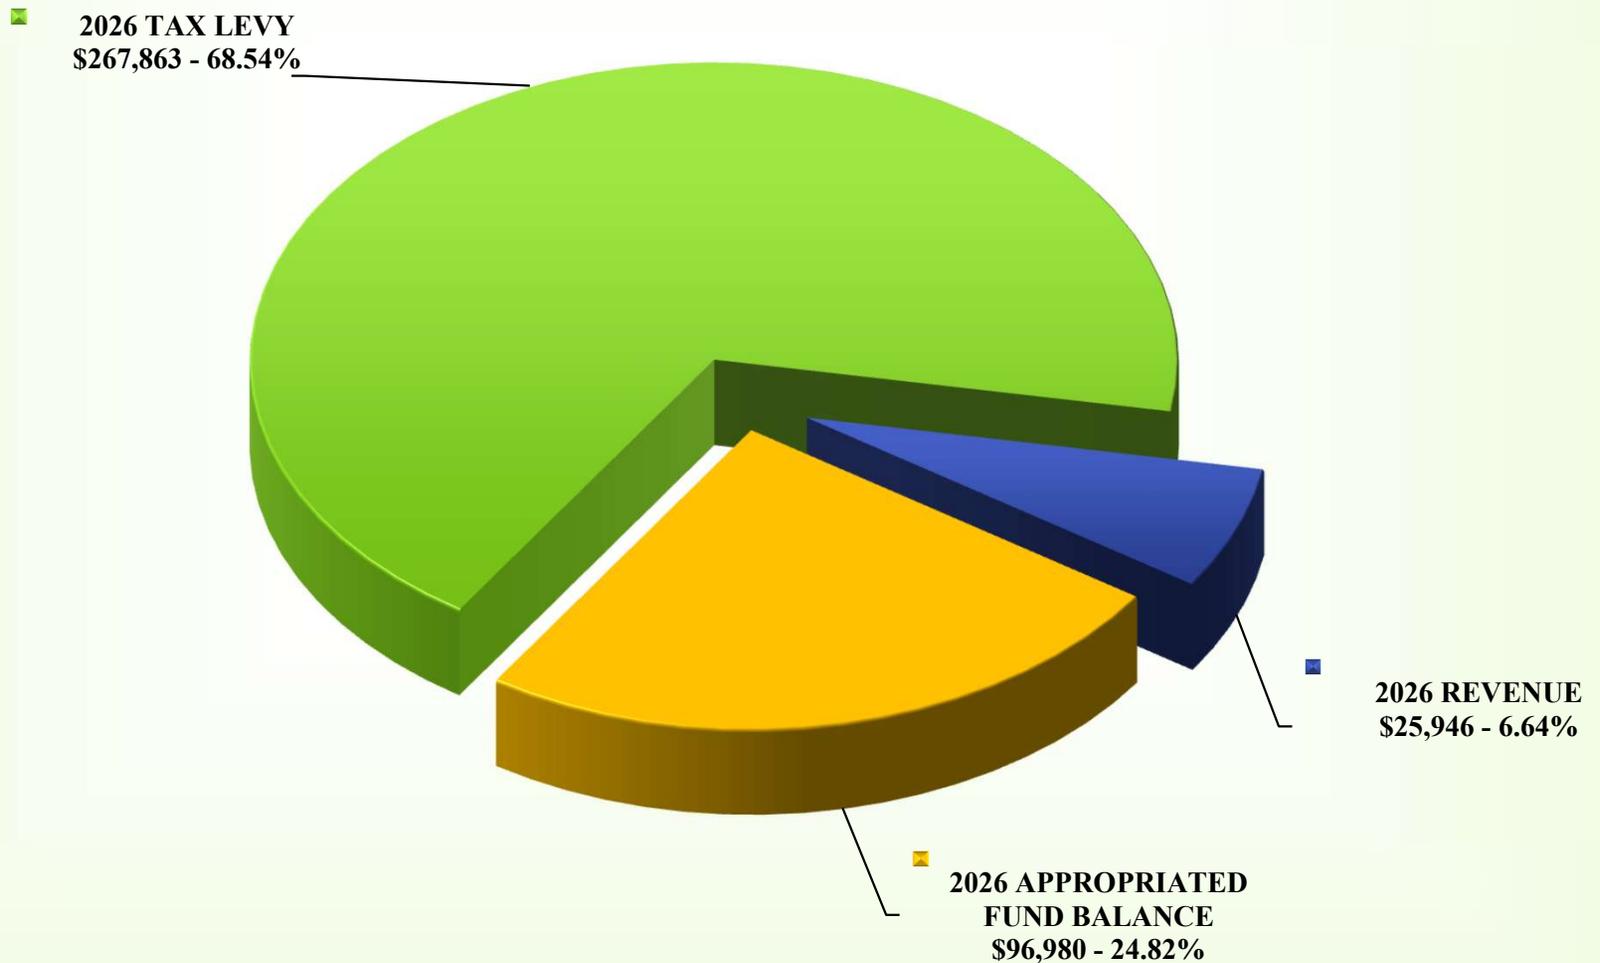

The Bethel Acres Park District was created during the planning and subsequent approval of the Bethel Acres Subdivision. It is an area of scenic woodlands located on Granville Court in the vicinity of the Franklin Roosevelt State Park.

The Lake Mohegan Improvement District includes most of the homes in the Mohegan Lake Hamlet. It was created solely for the purposes of maintaining and enhancing the quality of waters of Lake Mohegan and its surrounding area.

The use of these areas is exclusive to district residents. Budgets for each of these districts are prepared by the elected district boards and submitted to the Town Comptroller. The Town collects monies through taxes from each of the district residents according to each district's budget.

The Town provides additional services to these districts primarily by the Finance Department who aids with and oversees accounts payable and administers district payrolls. The Parks & Recreation, Highway, Engineering, Legal, Town Clerk and Building Department provide assistance as requested to maintain and operate the beach areas.

## EMERGENCY SERVICES

The Town of Yorktown has two fire districts and three Emergency Ambulance: Yorktown Heights Fire District, Lake Mohegan Fire District, Yorktown Advance Life Support District, Yorktown Volunteer Ambulance Corp and Mohegan Volunteer Fire Association/Volunteer Ambulance Corp.

Advance Life Support works with both Volunteer Ambulance Services, as needed for appropriate patient care. ALS is a separate taxing district to all Yorktown residents.

The Board of Fire Commissioners for each fire district set forth and adopt their respective budgets. The amounts are collected through the annual tax collection process. In May of each year, the Town, as the collection agent, distributes the amount raised by taxes to the corresponding fire districts.

In addition to serving as the Town's Registrar of Vital Statistics, the Town Clerk is also the Town's Records Management Officer and is responsible for maintaining all records, books and papers of the Town. The Town Clerk attends all meetings of the Town Board and is responsible for taking minutes of the meeting

and recording all actions taken by the Town Board. The Town Clerk's office also issues various licenses and permits, recruits election inspectors and in coordination with the Westchester County Board of Elections, oversees the operation of both primary and general elections within the Town.

**Town Court:** Two Town Justices preside over criminal, civil, traffic tickets and landlord/tenant cases, as well as violations of Town Code. Support staff is available to assist people paying fines, initiate both civil and small claims, provide transcripts of judgments and answer questions regarding court procedures. The Court participates in a voluntary mediation program that seeks to resolve disagreements between individuals without going before a judge.

**Water Department:** The Water Department maintains a distribution system that brings safe drinking water to approximately 10,000 households and businesses in the Town of Yorktown and portions of Somers, Cortlandt and Putnam Valley. The Department conducts regular tests of water quality, installs and reads meters, installs new water mains and hydrants, repairs water main breaks and conducts semi-annual hydrant flushing. The Department also issues an Annual Report describing the quality of the system's drinking water and its compliance with state and federal water quality standards.

**Albert A. Capellini Community and Cultural Center:** The AACCCC is the home of the Senior Nutrition Center, the Town's Planning Department and Museum. It is also used by the Town's Parks and Recreation Department and a variety of community organizations, including several senior citizen clubs, to provide a wide range of cultural, social, recreational and entertainment programs. The Town also leases space in the building to private entities, including the Yorktown Stage.
