

Q&A No. 1

Can you provide any information on the 2026 Paving Program:

- 1) Tons of Paving for the 2026 Program?
- 2) Square Yards of Milling proposed for the 2026 Program?
- 3) What Time of Year does the Town Mill and Pave?
- 4) Once the Paving program started, is it completed as one continuous project?
Or is the program performed in stages throughout the paving season?

Answers:

- 1) Tons of Paving for 2026 Program; Unknown, depends on price.
Budget is 1.9 Million Total for Milling & Paving.
- 2) Square yards of Milling proposed for 2026. Unknown. Depends on Budget and price of asphalt. Possibly no milling.
- 3) Time of Year Mill & Pave; June-November.
- 4) Paving project is not a continuous operation once started Paving is performed throughout the season on 200 miles of road over 37 square miles.
