Maura,

A similar foil was sent in March 2025, attached (& Below) is what was sent from P&R

✓ **Homeland Towers**

✓ Homeland Towers gave a presentation on building cell phone towers on Park Land. Handouts were given out to show three possible locations: The Rt. 9 Golf Course, An area next to Crystal Lake and Turkey Mountain. The commission liked the area next to the Golf Course and would back the project as long as there is a benefit to the Parks & Recreation Department, otherwise they would not be in favor of a tower going on Park Land. Discussions will be on hold until the Commission finds out if monies can go directly to the Parks and Recreation Department.

109 Granite Springs, not 1090. It's the Homeland Towers project.

I am not finding an address under 1090 Granite Springs. Can I have a section lot and block or some more information?
