Rules:

In an effort to promote reading at a young age, County Executive George Latimer is proud to announce the "Westchester Loves to Read" initiative. Open to students County-wide in grades pre-k through 5th Grade, this reading incentive initiative asks students read at least 300 minutes per month from October to April. This equates to roughly 10 minutes a day. Students that successfully check off each box and return the completed log to Communications@Westchestgov.com will receive a free to pass to Playland Park's Opening Day in May 2020. It's as simple as that. Read. Log. Win.
