

Special Meeting of the Town Board,  
On June 28, 2012, held at the Town Hall, 363 Underhill Avenue,  
Yorktown Heights, NY 10598

Present: Michael J. Grace, Supervisor  
Vishnu Patel, Councilman  
David Paganelli, Councilman  
Alice E. Roker, Town Clerk

Absent: Terrence Murphy, Councilman  
Nicholas Bianco, Councilman

Supervisor Grace explained that the truck bid was pulled from the June 19, 2012 Town Board Meeting Agenda because earlier that day, he was told that the Greenwood Street Bridge was re-flagged by the New York State Department of Transportation. The potential cost to repair the bridge was \$250,000. Supervisor Grace stated that he needed to know where the money to repair the problem was coming from. He has since been told that there is a bond to pay for the repair of the bridge.

Supervisor Grace stated that the Town was originally looking to purchase these bids off of the State Bid, but because we did a local bid, the Town saved \$40,000.

Although the specifications for this bid states that the price must be held for sixty days, we are up against a build-by date deadline. This is a good price. We are replacing two 1992 trucks.

Councilman Patel wanted to know why the Town was replacing two trucks.

Deputy Highway Superintendent Paul Hollopeter explained that the Highway Superintendent was replacing two of his main trucks that are used during the winter storms. The Highway Department has three 1992 trucks and three 1994 trucks. The trucks have a 20 year useful life.

Supervisor Grace explained that he pulled this bid from the June 19, 2011 Town Board Meeting Agenda because it was opened earlier that day and just like the other bid there is a provision which calls for the bid price to be held for sixty days. The low bidder was Sullivan Data who prepared the specifications for the bid. Supervisor Grace wanted to be assured that other companies were given the opportunity to bid. He has looked at the file and is satisfied that other bidders were given the opportunity to bid on this hardware.

Town Comptroller Joan Goldberg stated that the Town Clerk's Office sent the bid to thirteen companies.
