## Cool News!

Eagle Scout Kelly Griffiths chose the museum for her Golden Eagle Project and was recognized by Yorktown Town Hall for her efforts of creating QR-codes for each of the museum's exhibit rooms. Now people of differing abilities can access the audio tour. The public has given it very positive reviews!

## We had fun at Rochambeau Fest!

Located at the Grange Fairgrounds, visitors learn about the critical role that French General Rochambeau and his army played in aiding America's independence from Great Britain in the American Revolution. With crafts, food, demonstrations, and music, it is educational fun for all ages.

Throughout this year and in **2026**, be on the lookout for tons of local and nationwide events celebrating **Rev250**, the anniversary of the founding of the United States.

These Semiquincentennial celebrations will mark the 250th anniversary of the Declaration of Independence.

We celebrated May the 4th with a Star Wars themed display, curated by our docent Liam.

We honored Memorial Day with an exhibit of military items from local families.

We said **goodbye** to our Yorktown High School senior interns. We were so lucky to have their cheerful enthusiasm and intelligence for several research projects this year. We wish them the best in their future endeavors.

We said **hello** to new helpers from Ability Beyond!

We created an all ages  
Lego®  
contest for the community.  
Entries had the theme of  
'Masterpieces'.  
Winners to be announced in  
August!
